

BINGO FOR TRAINERS & FACILITATORS

HOW TO PLAY

**Simply tick the box when
you have a participant
who...**

is permanently
freezing cold
and wears a
coat and scarf
throughout.

has a cold
(and no tissues).

has no idea why
they're
attending the
workshop.

is spoiling for a
fight with
anyone
(preferably you).

is late back
from every
single activity,
coffee break
and lunch.

expects a full
silver service
lunch and/or
free bar.

stays behind for
an hour at the
end to tell you
about their
horrible boss.

needs surgically
removing from
their mobile
phone.

has a poker
face and
doesn't intend
to blink or smile
all day.

hasn't done the
pre-work
because their
child/pet ate it.

plans to use the
workshop as an
alternative to
psychotherapy.

knows it all
already and is
"just here for a
refresher".

*If you're interested in
learning and development
that's sufficiently grounded
in credible up-to-date
theory, whilst being practical
enough to let people
experiment with new skills,
let's have a chat about what
you're looking for.
We'd love to hear from you!*
